

TRINITY COLLEGE / ABRAHAM TRUST STUDENT ENRICHMENT

Programme

DUBLIN, IRELAND

JUNE - SEPTEMBER 2019

Abraham Trust

Join us for a two week immersive programme and visualize yourself as a student in Trinity College Dublin, one of the world's leading Universities.

This programme is designed EXCLUSIVELY for Abraham Trust students including YOU! This immersive programme aims to develop future-ready leaders by focusing on three themes: **STEAM, Entrepreneurship and Medicine and the Trinity Simulation.**

- STEAM workshops will introduce students to exciting developments in areas such as Artificial Intelligence, Robotics and Augmented Reality in a lab environment.
- The second theme focuses on the skills entrepreneurs and employers need for the 21st century – creativity, critical thinking, problem solving, collaboration, emotional intelligence and self-leadership.
- The final strand brings together the student world outside of the classroom – Trinity College clubs, societies, sports, activities and social life.

ABOUT TRINITY COLLEGE

Trinity College Dublin, The University of Dublin, ranked Ireland's #1 university, provides a liberal environment where independence of thought is highly valued and all are encouraged to achieve their potential.

Trinity College Dublin promotes a diverse, interdisciplinary, multicultural and inclusive environment which nurtures ground-breaking research, innovation and creativity of thought engaging with issues of global significance.
